

We would like to introduce ourselves and we are looking forward to serving you at Blacktown West Public School canteen!

Please see some information below about A & G Canteens.

COMPANY SUMMARY

A&G Canteens is a recently established family-owned School Canteen Service.

We have had extensive experience working in the School Canteen Industry over the past 20 years and decided to branch out servicing School Canteen's as our own entity.

We pride ourselves in serving nutritious and fresh food daily to children whilst attending school.

Serving children with the necessary food components in which we would serve to our own families.

We are continually keeping ourselves updated with new food and services policies according to required standards and with the Healthy Canteen Strategy.

LUNCH ORDERING PROCESS

We use the program for all your ordering needs called My School Connect.

A document will be supplied to you on how you can set up the app to order your children's lunch.

The app also has a support section for your use.

At the canteen there will be a menu available which is called Late Order Menu for orders that have not been placed after the 9.15am cut-off on the app which can be placed on-site.

The canteen will then be open during recess and lunch for over-the-counter purchases.
