Dear 2021 Parents,

It is very exciting that your child will be commencing school at Blacktown West next year. Please find below a list of the various activities we have planned for you and your child as part of our Kindergarten Orientation program. All activities can be accessed via the school website address in the section on Kindergarten Orientation or go the school app and you will find them in the “Kindergarten 2021” section.

Term 4 Week 3 commencing 26/10	Watch our presentation called “An Introduction to Blacktown West”. Talk to your child about the pictures in this presentation.
Term 4 Week 5 commencing 9/11	Watch our presentation called “The Kindergarten Orientation Package”. It explains everything you will receive in your child’s Kindergarten Orientation envelope.
Term 4 Week 6 commencing 16/11	Collect your child’s Kindergarten Orientation Package from the school office. Put your 2021 appointment times in a safe place. Join KL online for a fun alphabet activity and let your child complete their very first Blacktown West worksheet.
Term 4 Week 7 commencing 23/11	Join KK online for an enjoyable name game. Learn a name song together and your child can start practising how to write their name.
Term 4 Week 8 commencing 30/11	Join KY online for a great number activity. Your child will need appropriate scissors and some pegs from your laundry supplies.
Term 4 Week 9 commencing 7/12	Watch our presentation called “Helping Your Child Get Ready for School”. There will also be a special child-friendly presentation with cartoon pictures called “I Am Ready for School”. Please talk to your child about these pictures.
February 1 - February 5, 2021	Come with your child at your scheduled one-hour appointment time to complete your child’s enrolment. Your child will also complete the Best Start Numeracy assessment on this day. You can buy uniform as well as school bags and hats while you are at school on this day.
February 8 -11	Kindergarten students enrol at their scheduled time.

We look forward to working with your child over the coming years.
